Mission of the Month

Backpack Nutritional Program for the Wautoma School District

The program provides non-perishable food items for students of very low-income families who may have little or nothing to eat for supper or over the weekends. Educators have a list of the students and discreetly put the food items in the student's backpack each day at school so when they get home the children have food. This program has been ongoing for many years now.

CONSIDER VANCO SIMPLY GIVING

Hope Lutheran Church invites you to consider electronic giving, as a way to automate your regular weekly offerings from a checking or savings account. Electronic giving is convenient for you and provides much-needed consistency for our church. There is no cost for you to participate. If you are currently giving on a weekly basis, you will no longer need to write out 52 checks a year or prepare 52 envelopes. And when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis. To get started, complete the authorization form from the church office or homelutheranwautoma.com website Stewardship Electronic Giving (download form), and return it to the church office. All information is confidential.
